

Dear Store Manager/Owner:

My friends and I shop here frequently and would like the convenience of buying delicious, all natural Via Elisa Pasta Sauces from you.

Via Elisa sauces are made with imported Italian plum tomatoes and fresh vegetables. They contain no preservatives, artificial flavors or colors, sugar or fillers.

Please contact the owner, Elisa Gambino at elisa@viaelisa.com. I know she would love to talk with you about carrying their line of sauces. Via Elisa is a women owned company whose products are distributed through Atlanta Foods International. You can find more information at www.viaelisa.com.

Thank you,

Your Loyal Customer
